

SKSC Team Spirit Wear Ordering (Recreational Teams)

Teams wishing to order SKSC hoodies can use the following form to place group orders. Use additional forms if necessary. Completed forms can be emailed to matt@skilledcrafting.com.

Once the order form is received, we will prepare an invoice for the total order and confirm that the information is correct with the team's coach. The cost per hoodie is \$30, plus tax, which comes out to \$32.76. We ask that each team appoint a volunteer to coordinate collecting of payments. The total invoice can then be paid via credit card, check, or cash. Payment is due upon receipt of the team's order.

There are numerous colors available for the hoodies, but some colors are more difficult to obtain in both youth and adult sizes. If stock issues prevent filling an entire order with the same color, we will contact the coach with options.

The hoodie blanks will be ordered from our wholesaler and typically arrive within a week. Upon arrival, we will press the club's logo on the left chest, apply a custom name to the back, and add a jersey number to the right sleeve if desired. This process takes a few days and when complete, the coach is notified and arrangements are made for delivery.

If a team would like other options besides hoodies (shirts, tote bags, duffle bags, etc.) please contact me for assistance.

Any questions about the process or options, call or email:
