

South Kitsap Soccer Club

South Kitsap Soccer Club is seeking sponsors for the 2019 soccer season. Established in 1975, SKSC is a non-profit organization that is affiliated with U.S. Youth Soccer, Northwest Sound Youth Soccer Association (NSYSA), U.S. Club Soccer (through the SK United program), and the Washington State Youth Soccer Association. SKSC fields over 70 teams each season, composed of approximately 850 players, ages 4 through 18. Players participate in either club-level (recreational) play or they can opt to pursue competitive/select-level play through the SK United program. SKSC relies on the support of over 150 volunteer coaches, team managers, and support staff each season.

SKSC is committed to providing a fun and positive soccer program for the youth of South Kitsap and surrounding communities year-round. SKSC's goals are to foster not only a love for soccer and the development of skilled athletes, but to help players develop character traits that will prepare them for adulthood and provide them with opportunities in life. Teamwork, sportsmanship, commitment, confidence, and unrelenting effort are some of the core-tenets of our program.

In addition to the club's commitment to developing players, SKSC facilitates training and licensing for coaches and referees, provides equipment and uniforms, offers specialized camps in the summer and winter and maintains over dozens of fields for all practices and games. These services are funded through registration fees and community sponsorships and are provided through the efforts of un-paid, 100% volunteer staff.

The South Kitsap Soccer Club serves an area that is in need of sponsorships to help provide financial aid to children who cannot afford to cover the registration fees to play soccer. Sponsorships received will also help to defray the cost of equipment, uniforms, training, field rentals and referees. SKSC works diligently every year to keep fees at the lowest level possible, but rising league fees, insurance costs, field rental fees, and other expenses make it difficult to set fees that are affordable across all income-levels.

Sponsorships can start at any dollar amount and promotional opportunities are available starting at \$250. Please see the attachment for descriptions and benefits received at each level. Your contribution is not only tax deductible but will also expose your business to a large number of soccer families, friends, coaches and trainers. Our club appreciates your consideration of our request. Your sponsorship will be recognized and appreciated for many years to come.

Thank you in advance for your consideration,

Ryan DeCrona, President

Gary Russell, SKSC Registrar

Greg Russell, SKSC Treasurer

Matthew McDaniel, Director of Club Select (SK United)
